

YOU'RE INVITED!

Please join us on **October 3, 2019, for our 5th Annual Fall Policy Conference**. Year after year, the policy conference is one of our member's highest-rated and provides the last opportunity before legislative session starts to sit face-to-face with lawmakers, legislative leadership and key LCB staff.

This year, WACA's industry Councils (Producers, Processors, Laboratories, and Retailers) will convene the evening prior to the conference to codify sector-identified priorities for our 2019-2020 agenda. You will have the chance to ask questions and get up-to-speed about the work of the organization that will launch January 13, 2020, during their summary presentation during the afternoon of the conference.
